

BUNNY VISITS

for your company events

A unique and stress-relieving experience for employees

Make your next corporate event one your employees will never forget with a unique, stress-relieving bunny experience!

Why 24 Carrot Parties for your event?

Corporate life can be fast-paced, demanding, and let's be honest—stressful. That's why companies are investing in unique wellness and team-bonding experiences that employees truly appreciate. Imagine this: Your team steps away from their desks and into a space filled with gentle, fluffy bunnies—ready to be cuddled, held, and adored. Laughter fills the room, stress levels drop, and conversations flow effortlessly. It's a moment of pure joy and connection.

Why Book a Bunny Therapy Experience for Your Team?

Reduces Stress & Boosts Morale

Animal interactions are scientifically proven to lower cortisol (stress hormone) and increase serotonin (happiness hormone).*

Enhances Team Bonding

Shared experiences create stronger connections. Nothing brings people together like snuggling adorable bunnies!

Employee Wellness

Show your team you care by offering them something they'll talk about long after the event.

Hassle-Free & Fully Customizable

We bring everything to you—bunnies, setup, and even add-ons like refreshments & décor.

How It Works

Each visit is structured, and tailored to your group size and comfort level.

We bring well-socialized bunnies and trained staff to your business.

We handle setup, education and supervision — you enjoy the smiles.
